

The 6/Port PRO | 3 Pad Expandable System PLUS with 3 Pads & Inlight Cap

The 6/Port PRO | 3 Pad Expandable System PLUS package comes with the advanced 6/Port PRO Controller, a set of three pads, and the Inlight Cap making it a *right-sized* option for professionals and home users looking for flexible placement and future expandability. This pro-level system is ideal for individuals seeking pain relief, improved circulation, tissue regeneration, and more through the therapeutic benefits of photobiomodulation (PBM) therapy.

This package includes everything needed to begin sessions and includes a two-year warranty.

Improved
Circulation

Inflammation
Reduction

Improved
Lymphatic Flow

Reduces Pain
Acute & Chronic

Therapeutic Effects of PBM: This nonthermal process yields therapeutic benefits, including pain relief, improved circulation, inflammation reduction, modulation of the immune response, and facilitation of wound healing and tissue regeneration.

- **Powerful Photon Energy:** The 3 Pads, and Inlight Cap form a combined **1025 LED** array emitting photon energy across non-ionizing wavelengths, promoting photobiomodulation (PBM).
- Choose your preferred setting to experience Inlight's proprietary **Progressive Multi-Pulse™** technology, featuring three easy-to-use automatic pre-programmed settings and seven manual settings.
- **Package Includes:** (1) 6/Port PRO Controller, (1) Inlight Cap Pad (Red/NIR), (1) Body 264 Pad (Red/NIR), (1) Local 132 Pad (Red/NIR), and (1) Facemask 104 Pad (Blue/Red).
